

FINANCIAL AGREEMENT HEALTH INSURANCE

We here at Aculinks Acupuncture would like to take a moment to welcome you to our clinic and assure you that you will receive the very best of care available for your condition. In order to familiarize you with the financial policy of this clinic we would like to explain how your medical bills will be handled.

EXPLANATION OF INSURANCE COVERAGE:

Many insurance policies do cover acupuncture care but this clinic makes no representation that yours does. Insurance policies may vary greatly in terms of deductible and percentage of coverage for acupuncture care. Because of the variance from one insurance policy to another, we require that you, the patient, be personally responsible for the payment of your deductibles, as well as any unpaid balances in this clinic. We will do our best to verify your insurance coverage, and will bill your insurance in a timely manner.

PAYMENT ARRANGEMENTS:

We require that you pay 50% of your charges on a monthly basis. Your portion of the bill is expected to be paid by the 15th of each month, and any unpaid balances will be considered past due on the 5th day of the following month. Past due balances may have an interest charge of 1.5% applied per month.

ASSIGNMENT OF BENEFITS:

Attached is a CMS 1500 form please sign **Block 13** "Assignment of Benefits". This designation directs your insurance company to send payments directly to this office. If your insurance carrier sends payment to you for services incurred in this clinic, you agree to send or bring those payments to this clinic upon receipt. If you pay for your visits in full the assignment need not be signed and the payments will be sent directly to you from the insurance.

RELEASE OF INFORMATION:

If you're insurance company requires medical reports or record to document your treatment or progress, your signature in **Block 12** and below authorizes this clinic to release the medical information necessary to process your claim.

VOLUNTARY TERMINATION OF CARE:

If you suspend or terminate your care at any time, your portion of all charges for professional services is immediately due and payable to this clinic. All services rendered by this clinic are charged directly to you, and you, ultimately will be personally responsible for payment regardless of your insurance coverage.

We hope this answers any questions you might have concerning the financial policy of this clinic. Once again we welcome you to our clinic, and will be glad to answer any further questions that you might have.

I have read and agree to the above.

MEDICARE AND CHAMPUS PAYMENTS: A patient's signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information provided in Blocks 1 through 12 is true, accurate and complete. In the case of a Medicare claim, the patient's signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker's compensation or other insurance which is responsible to pay for the services for which the Medicare claim is made. See 42 CFR 411.24(a). If item 9 is completed, the patient's signature authorizes release of the information to the health plan or agency shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient's sponsor should be provided in those items captioned in "Insured"; i.e., items 1a, 4, 6, 7, 9, and 11.

BLACK LUNG AND FECA CLAIMS

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and FECA instructions regarding required procedure and diagnosis coding systems.
